Suggestions for the Future:

- Students pointed out that better advertisement of the Elena Sanchez Memorial Outstanding Student Scholarship is necessary. Some mentioned that a longer application period may be beneficial. Send application information to major professors.
- Student members are divided between going out with sponsors from multiple sectors VS choosing one sector. A student suggested sending out a questionnaire prior to the annual meeting asking about their preferences and allocate students accordingly.
- The majority of the student members enjoyed the current format of the student luncheon and student reception. A student suggested that an e-mail with more details about the Student Luncheon should be sent out before the annual meeting. Another student suggested randomly assigning students to the tables.
