**Officer or Chairperson Name:** Tim Prather

**Date of Preparation (include year):** 2/28/2026

**Activities during the year:**

I kept in contact with the chair of the WWCC to continue our dialogue with agencies with interest in weed management. Our joint meeting next year is certainly a step forward after I presented at two of their meetings about WSWS. Erik Lehnhoff's survey was helpful as well in detailing areas we might explore to further strengthen our links. Our Invasive Plants ad hoc committee also reviewed WWCC's strategic plan and provided feedback so I think we are on the right track.

**Recommendations for Board Action:** If we move the Invasive Plant Species ad hoc committee to standing, then designate the chair of the committee as a liaison to the WWCC and work with the Education and Regulatory Chair to identify locally relevant topics for a session/workshop/symposium.

Further, I suggest the president end the ad hoc committee for agency needs if the above duties are moved to the Invasive Plant Species committee.

**Budget Needs:** None
