

**WSWS Officer and Committee Report
March 2024**

Office or Committee Name: Herbicide Resistant Weeds

Officer or Chairperson Name: Stephen A. Valenti

Date of Preparation (include year): 2/28/2024

Activities during the year: Implementation/design of a trifold document for use with the prior year's document entitled "Criteria and Process for Documenting Herbicide-Resistant Weeds". We have gone through many edits from the group with Clark Adler acting as our design expert. He did a great job handling the edits and developing the trifold.

Recommendations for Board Action: We have taken this about as far as we can with edits from the committee. Recommendation for the board is to approve and allow for the trifold to be produced as a handout.

Budget Needs: Funding needs to cover 500 color copies as a handout. There may be an entity willing to print the trifold.
