

**Office or Committee Name:** Herbicide resistant plant committee

**Officer or Chairperson Name:** Rui Liu

**Date of Preparation (include year):** Mar.2, 2026

**Activities during the year:** The committee met over Zoom in the fall and decided to create a poster on the conditions used to screen for herbicide resistance, and to have people add notes on the conditions they use or any additional conditions they can think of that would influence the results.

The poster will be at WSWS in Tucson. Feedback from the audience will be summarized into a written report after the annual meeting.

**Recommendations for Board Action:** None

**Budget Needs:** None

**Name of Person Preparing This Report:** Rui Liu
