

**WSWS Officer and Committee Report
July 2023**

Office or Committee Name: Public Relations Committee

Officer or Chairperson Name: Mirella Ortiz

Date of Preparation (include year): July 12, 2023

Activities during the year:

I have worked with Sandra McDonald, Constitution and Operating Procedures Representative, to update the Public Relations Committee section in the Operating Procedures. – see proposed changes below.

The committee would like to suggest creating an informative WSWS poster and single slide presentation. We would make it available online through the WSWS website and encourage members to print a copy and bring/present it at different meetings they attend. We will have the poster and slide prepared and presented in the 2024 meeting.

The July social media analytics is attached at the end of this report and here is a message from Amy Giannotti, Social Media Manager: “Facebook is pretty stagnant across many accounts I manage. It seems that people are moving away from this platform. It does not appear to be a function of content or our audience..rather the demographic that uses Facebook seems to be migrating into other social media outlets. Interesting to follow.”

Recommendations for Board Action:

- 1) Operating Procedures (OP) changes:
 - a) Add to the OP that the PRC works with a social media manager and the President is to approve their contract.
 - b) “1. Disseminate WSWS news when and where possible, by working through established news channels such as ~~trade magazines,~~ society and organization newsletters, ~~radio, television, and~~ university information services, and internet listserves and websites.”
 - c) “3. Prepare and disseminate press releases to promote the annual meetings and functions of the Society ~~and arrange news coverage during WSWS meetings.~~”
- 2) (if needed) Approve the creation and online distribution of an informative WSWS poster and single slide presentation.

Budget Needs:

Travel reimbursement for Social Media Manager (Amy Giannotti) to attend 2024 meeting in Denver, CO (the social media manager reimbursement was approved when the position was created in February 26, 2021 BoD Minutes).
