

**WSWS Officer and Committee Report
March 6, 2022**

Office or Committee Name: Poster Committee
Officer or Chairperson Name: Caleb Dalley
Date of Preparation (include year): March 10, 2022

Activities during the year:

In preparation for the poster section at the 2022 WSWS meeting held in Newport Beach, California, it was determined that we would rent posterboards for the session rather than bringing the posterboards and easels owned by WSWS. Through Eric Gustafson we contracted with SoCal Posters to provide the posterboards which included delivery, setup, and removal from the site. The contact information for SoCal Poster Board is below:

The poster session was a success with 60 titles submitted and 57 posters actually presented. There were additional posters from the WSWS committees this year for the first time with posters from the Necrology, Herbicide Resistant Plants, Diversity and Inclusion, and History Committees.

For the upcoming meeting in Boise, Corey Ransom at Utah State University has possession of the WSWS posterboards and easels. The incoming chair of the poster committee, Rui Liu will need to coordinate with him to deliver these to the meeting in Boise.
