

**WSWS Officer and Committee Report  
Boise, Idaho  
August 2020**

**Office or Committee Name: Site Selection**  
**Officer or Chairperson Name: Charlie Hicks**  
**Date of Preparation (include year): 8/4/2020**

**Activities during the year:**

With all the uncertainties surrounding Covid-19 and large conferences, not much activity has taken place with this committee as far as a recommendation for a 2023 meeting location. As it stands now, if the 2021 meeting does NOT take place in Boise, ID, we would recommend using the Boise site as our meeting location for 2023. If the Boise meeting DOES take place as planned, we would recommend investigating Denver as a possible location for the 2023 meeting.

**Recommendations for Board Action:**

Decision on Boise and or Denver. Any other locations of interest please advise committee.

**Budget Needs:**

If Denver is chosen as the 2023 location for our meeting, would ask the help of our business manager in securing bids from appropriate venues.
