Locations of interest for 2025/2026:

1. Oklahoma City, OK
 - a. Brand new convention center downtown with adjacent OMNI Hotel
 - b. Other hotel options within walking distance of convention hall
 - c. Major airport access
 - d. Scheduling could be competitive with it being a new venue
2. Eugene, OR
 - a. Smaller airport, but it has good connectivity to major airports in the west
 - b. Graduate Hotel located Downtown would be a good venue for the meeting
 - c. March should be outside of the busier tourist season in that area
3. Seattle, WA
 - a. Bell Harbor International Conference Center looks like a nice venue
 - b. Plenty of hotel options in the area
 - c. Seattle-Tacoma Airport access
4. Bozeman, MT
 - a. Location that hasn't been used in the recent past
 - b. Conference on the campus of Montana State would likely be best
 - c. Good airport connectivity to major cities
 - d. Hotel rooms are likely going to be expensive/competitive due to ski season and tourism
 - e. Other Montana/Wyoming options could be Missoula, MT; Billings, MT; Jackson, WY
