**WSWS Site Selection Committee**
Report to the Board of Directors
Board Contact: Kirk Howett
August 3, 2017

**Committee members**: Joe Yenish, Pete Forester, Steve Eskelsen (chair)

Joe Yenish will rotate off the committee after the 2018 meeting and Pete Forester will assume the role of chair.

**Progress:** There is a proposal the combine with WSSA in 2020 for a Hawaii meeting. Based on this, bids for the PNW Area have not been solicited.

**Request for board action:** The board must establish a hard stop for a decision from WSSA so WSWS has time to request PNW bids for 2020.

Respectfully submitted,
Steve Eskelsen, Chair
