WSWS Officer and Committee Report
October 2021

Office or Committee Name: Sustaining Membership

Officer or Chairperson Name: Stephen A. Valenti

Date of Preparation (include year): 10/14/2021

Activities during the year: Updated letters were sent out to all of the Sustaining Members from last years listing, September 2021. I have not received a reply from any of the members to date. I have recently contacted Kincaid Equipment, Teejet, Rand D Sprayers, and Juniper Systems soliciting for Sustaining Membership.

Recommendations for Board Action: I know that in the operating guide it says to solicit new Sustaining Members. It might be worthwhile to put a number on that and my suggestion is we try to boost Sustaining Membership by 10% each year and expand Sustaining Members up to the mid twenties if possible…..this will take some time. The list is shrinking with mergers so more of an effort is needed to maintain this list.

Does the board / committee have suggestions of other entities to call with contact information?

Budget Needs: NA
