THE BOARD OF DIRECTORS

The Board of Directors shall be comprised of the President (Committee Chair), the President-Elect (Program Chair), the Secretary, the Treasurer, the Immediate Past-President, the WSSA Representative, the Research Section Chair, the Education and Regulatory Section Chair, two Members-at-Large, the CAST Representative, and the Student Liaison Chair. The business of the Western Society of Weed Science (hereinafter referred to as the Society) shall be conducted by the Board of Directors during the interval between General Session and Business Meetings of the membership. Non-voting Board of Director members (Chair-Elect of the Research Section, Chair-Elect of the Education and Regulatory Section, Business Manager, Representative for Constitution and Operating Procedures, and Student Liaison Chair-Elect) are encouraged to attend meetings and participate in discussions.

In-person Board of Director meetings are typically held at the site of the annual meeting, from 8:00 to 5:00 on the Monday immediately before the beginning of the annual meeting, and from noon to 1:30 on the Thursday immediately following the closing of the annual meeting. In addition, the Board of Directors convenes a summer meeting over two days in late July to early August, typically from noon to 5:00 on the first day and again from 8:00 to noon on the second day. The summer meeting normally occurs at the site where the next annual meeting is to be held. Board of Directors are eligible to be reimbursed for their travel expenses to attend the summer meeting. Board of Directors meetings can include a hybrid option if the Presidents feels this is appropriate.

At other times, Society business may be conducted by the Board of Directors electronically, as specified in Section 2d (i-iv) of the President's section on page 3 of this Operating Procedures.

Revised July 2023

PRESIDENT

The President is the top executive officer and shall:

1. Uphold the spirit of the Constitution and By-Laws of the Society and carry out decisions of the Board of Directors.
2. Serve as Chair of the Board of Director
 - a. Prepare agendas for meetings of the Board of Directors and preside at such meetings following the Robert's Rules of Order; submit information to the members of the Board of Directors in advance of the meetings so that issues can be properly considered.
 - b. Keep the Board of Directors advised on significant issues, activities and problems of the Society and solicit their suggestions.
 - c. Act as the Board of Directors contact person for the Awards and Site Selection committees.
 - d. The Board may from time to time use electronic (email) exchanges to conduct the business of the Society.
 - i. Topics of business may be brought up at any time by any Board member or the President. All members of the Board (including the Business Manager) must be included on all communications. Each Board member should ensure that their email server has been instructed to not block any message originating from the President's email address.
 - ii. A motion may be made by any member of the Board and must be seconded within seven (7) days, otherwise the motion dies. The President will transmit the motion with second to the Board within a short period of time. The motion will be open for discussion for seven (7) days. Those that do not confirm receipt may be contacted by the President via telephone prior to expiration of the discussion period. After the discussion period has elapsed or after a call for a vote by a majority of the voting Board members, whichever comes first, the President will call for a vote to approve or disapprove the motion. Voting Board members will have seven (7) days to respond. Board members should send their vote only to the President to avoid influencing later voting members. The President will report the result of the vote to the Board of Directors with how each member voted after the voting period has elapsed.
 - iii. Under situations where a vote of the Board is necessary in less time than noted above, the President can reduce the discussion and voting time limits as needed. Once a majority of the Board has voted to approve or disapprove the motion, the results will be determined to be final. This procedure should be used only when the motion involves matters of urgency and time is of the essence. The President and the President-Elect will determine when this procedure is appropriate.
 - iv. The Secretary will record minutes related to each motion, discussion, and vote in the same manner as at a regular meeting of the Board. A copy of Society business conducted by electronic exchange will be presented by the Secretary at the beginning of each regular (summer and annual) meeting of the Board. These minutes will be published in the annual Proceedings.
3. Make committee appointments.
 - a. Appoint members to serve on standing committees as outlined in the By-Laws (generally the second-year member serves as Chair).
 - b. Appoint members of Ad-hoc Committees as deemed necessary and designate committee Chairs.
 - c. Appoint a Local Arrangements Committee Chair for the meeting site three (3) years in advance (or as soon as the meeting location is of a meeting date is determined). Committee members will be designated by the Local Arrangement Committee Chair and their names forwarded to the President and President-Elect.

- d. Submits the officer and committee membership list to the Secretary for maintenance and distributes the lists to members of the Executive, Standing, and Ad-hoc Committees.
 - e. For the Annual Meeting, the President:
 - i. Works closely with the Program Chair, Local Arrangements Chair, and the Treasurer, Business Manager in planning the program for the Society meeting.
 - ii. Submits a list of guests to the Business Manager for complimentary luncheon tickets.
 - iii. Submits a list of people to receive complimentary rooms to the Local Arrangements Chair and the Business Manager.
 - iv. Delivers a Presidential address during the General Session and, if desired, provides a written copy of the address to the Program Chair for publication in the Proceedings.
4. Provide communication:
- a. Maintains a close liaison with all committees of the Society and encourages and assists them in developing strong and active programs.
 - b. Provides a Presidential letter to the Newsletter Editor for each newsletter (up to four times a year).
 - c. Notifies newly elected Honorary Members and Fellows of their election at least two months before the WSWs meeting to ensure their attendance.
 - d. Notifies the successful and unsuccessful nominees for WSWs offices of the election results, and sends a copy of the WSWs Operating Procedures and a copy of the Constitution and By-Laws to each successful nominee.
 - e. Work with the chair of the Awards committee and the Student Liaisons (chair and chair-elect) to notify the successful and unsuccessful applicants for the Student Scholarship at least one (1) month prior to the deadline for submission of titles for the upcoming annual meeting.
 - f. Maintains a liaison with other regional societies and organizations with related interests and objectives. Extend invitations to Presidents from other regional societies and officers of WSSA to the annual meeting.
 - g. Prepares cover letters and signs as WSWs President for resolutions passed at the business meeting and distributes resolutions as designated in resolution.
 - h. Delivers copies of biographies for Honorary Members for inclusion in Proceedings to the Proceedings Editor.
 - i. Forwards the President's files to the incoming President within six (6) weeks after leaving office.
 - j. Sends thank you letters to all past officers and committee Chairs for service to the Society and to all organizations that supported the annual meeting functions and Society during the year.
 - k. Sends letters of congratulations and thanks to all student paper/poster contestants and winners.
5. The President may confer the Presidential Award of Merit, if in their opinion, a member of the Society has demonstrated distinguished service. The nominee for this award must be approved by a majority of the Board of Directors.

3. Represents the views of all sectors of the Society including industry, universities, state, and federal agencies.
4. Performs other duties delegated by the President or the Board of Directors.

STUDENT LIAISONS

The role of the Student Liaisons is to maintain an open flow of communication between the Board of Directors and the student members of the Western Society of Weed Science (WSWS), facilitate the interaction between students and the Society, and increase student presence in the Society through projects and programs.

The Student Liaisons (both chair and chair elect) are members of the WSWS Board of Directors. The chair is a voting member of the WSWS Board of Directors. Both liaisons are voted into office by the student members of the WSWS. The Student Liaisons serve a two-year term; the first year as the chair elect and the second year as the chair. The chair is a voting member of the board as of 2009.

Duties and Responsibilities

The student liaison shall also:

1. Attend the annual board meeting, held the Monday before the annual meeting, and the summer business board meeting, held in the summer before the annual meeting. Use these opportunities to address student issues with the Board of Directors and present initiatives for furthering student participation in the society. Additionally, the liaison chair elect should use this opportunity to become familiar with the procedures and activities of the Board of Directors.
2. Organize the Student Luncheon and the Student Reception with the corporate sponsors for these events. Contacts for these events can be obtained through the past student liaison chair, corporate sponsor organizer or the local arrangements Committee. The luncheon is an opportunity for students to meet with each other as well as with industry representatives. The luncheon also serves as the 'business meeting' for any student matters, mainly electing a new student liaison. Students can nominate another student or themselves any time before or at the business lunch. The Student Reception is hosted by corporate sponsors as another opportunity for students to meet and network with industry representatives as well as visit with fellow students.
3. Organize and maintain the 'Student Night Out' program, and continue to promote the event to the student members of the WSWS. The 'Student Night Out' is an opportunity for students to engage with members of academia, industry, and government agencies (the sponsor) in a casual setting to discuss careers, science, and foster connections. The general arrangement is that the sponsor takes the student out for a meal on the designated evening of the annual meeting, or on another evening if otherwise arranged. Both students and sponsors sign up for the program when they register for the meeting online. Once there is a complete list of all the interested participants, the student liaison chair (likely with assistance from the chair elect and another board member) matches students with sponsors according to the student's preference indicated in their registration (which sector they are most interested in, as well as what state and institution they represent). The chair notifies both students and sponsors via email at least one week before the meeting who they will be going out with.
4. Attend the WSWS annual meeting, be present at the registration desk to assist with student registrations and greet students, encourage participation in student events, and assist with any other logistics as needed.
5. The student liaison chair elect will be primarily responsible for managing the Elena Sanchez Memorial WSWS Outstanding Student Scholarship program in conjunction with the WSWS president and the chair of the Awards Committee. Scholarship description, application, and

Operating Procedures are provided below. The student liaison will be responsible for updating the application annually to reflect new president and contact information (to whom applications are typically sent) and any other necessary changes (e.g., due date, program guidelines). Send the announcement and application to WSWS webmaster in September for publication on the website and in the summer newsletter. Application deadline is October 1. Advertise the scholarship opportunity as much as possible (send multiple notices to the student membership, post on ECOLOG, announce through universities, etc.). During the application process the Student Liaisons will be largely responsible for responding to questions from the Society. The Awards Committee is then responsible for reviewing the applications, and the President will then notify all applicants.

6. Maintain the student page of the Society's website by providing new and updated content to the WSWS webmaster. Also, manage student LinkedIn webpage, and in general pursue other opportunities to expand WSWS student communication via social networking.
7. Write student liaison reports for the WSWS newsletters, typically published in July, November, and January. Requests will be made from the current newsletter editor.
8. Seek new opportunities to increase student participation in the Society, and present these to the Board of Directors.
9. Assist student members of the WSWS with their questions, comments, or recommendations for future activities or changes. Liaisons can communicate with the students by sending messages to the webmaster, who will forward them on to the membership and/or by sending messages via the WSWS Student group presence on social networking websites (i.e., LinkedIn).
10. The Student Liaisons are strongly encouraged to attend the WSSA annual meeting to serve as liaisons between the WSWS student members and the WSSA student members.
11. Unless specifically mentioned, the liaison chair elect will generally assist the liaison chair with projects and activities during the year.

Time Schedule

- January-February:*
- 1) Organize the student reception and student luncheon with corporate sponsors
 - 2) Prepare student report for the newsletter and send to the newsletter editor.
 - 3) Prepare student liaison report for annual board meeting (board president will send out a request) summarizing the year's projects, recommendations for board action, and budget needs. Report is submitted to president and webmaster for posting on the website. Liaison chair must also provide hard copies for board members.

- Work with the Board president and chair of the Awards Committee to ensure that scholarship participants receive notification of the results prior to the title submission deadline

Traditions

Beginning with Dr. Dirk Baker, founder of the WSWS student association, the passage of the WSWS student association plaque has been signed on the back by every president (chair) of the student association, and hopefully will be continued in the future. The plaque serves as a replication of the passing of the gavel performed by the WSWS President and President–Elect.

Revised March 2012

Chapter II DUTIES OF COMMITTEES and EDITORS

PROGRAM COMMITTEE

The Program Committee shall develop the program for the Society Meetings. The Committee shall be composed of the President-Elect (Chair), Chair of the Research Section, and Chair of the Education and Regulatory Section. The Program Chair may delegate duties to members as they deems advisable (Refer to Duties of the President-Elect). The President-Elect is the Board of Directors contact for this Committee.

SITE SELECTION COMMITTEE

The Site Selection Committee is comprised of three members, and the second-year member serves as the Chair. At least one member will be a former Local Arrangements Committee Chair or a former member of the Local Arrangements Committee that has been approved by the President. The Immediate Past-President is the Board of Directors contact for this Committee.

The Society annual meeting shall be held during the second full week of March each year. The Site Selection Committee shall:

1. Select two (2) to four (4) suggested meeting sites [city(ies) and hotel(s)] four (4) years in advance to be presented for approval by the Board of Directors at the summer business meeting.
 - a. Society members may recommend hotel sites based on their own experience or contact with local convention bureaus or chambers of commerce.
2. Advise and direct the Business Manager to coordinate and solicit requests for proposal from potential host hotels.
3. Review and compare submitted proposals from potential host hotels.
4. Advise and direct the Business Manager and potentially Treasurer to negotiate a contract with the selected host hotel.
5. Together with the President, review the contract to their satisfaction in consideration of items outlined below. If necessary, direct the Business Manager to renegotiate an acceptable contract that addresses all listed deficiencies.
6. Recommend that the President sign the acceptable contract and return it to the Treasurer-Business Manager.
7. Finalize the contract two (2) to three (3) years in advance of the scheduled meeting.
8. Consider the following items before recommending a site:
 - a. Previous meeting sites. If sites have been found to be adequate in the past, it often bodes well for the future. Review meeting attendance at past conference cities. If a past location enjoyed high attendance, it will likely be repeated in the future. The opposite is also probably true. In recent years, the annual meeting has been held at a Hawaiian location every 5-7 years. This should not be construed as a requirement, but should be a strong consideration since historical attendance increases substantially each time we meet there.
 - b. Location in relationship to membership.
 - c. Convenience of location: near airport with reasonably priced flights and good transportation from airport to hotel; parking facilities for those who drive; overflow accommodations nearby; restaurant capacities within the hotel and alternate dining facilities nearby.
 - d. No other conflicting conventions or major events should be scheduled in the hotel at the same time unless they demonstrate that they can handle all groups adequately.
 - e. Convention Rates for Rooms and Suites.
 - i. 150-250 rooms: 2/3 doubles and 1/3 singles. Include 20 rooms for Saturday and 40-50 for Sunday prior to the meeting. Room blocks should be adjusted based on prior 5- year history.

Sample room distribution scenario:

ROOM BLOCK - Year 2xxx

Day:	Sat.	Sun.	Mon.	Tue.	Wed.	Thu.
Date:	03/x	03/x	03/x	03/x	03/x	03/x
Rooms:	20	50	200	200	200	30

The Site Selection Committee shall maintain a 'rolling' history of room take for 10 consecutive WSWs meetings. Hotels will generally give WSWs this information since it is generally shared with other hotels. These numbers will provide an excellent starting point for negotiations with the prospective hotels.

- ii. Negotiate rates for rooms. If possible, request a block of rooms (50-100) at the government rate, which is generally discounted substantially.
 - iii. Hospitality suites if necessary. Industry will make arrangements with hotel.
 - iv. Investigate special arrangements for graduate students. Can three (3) students share for the price of a double?
 - v. Investigate menu prices. Hotels with excessive catering costs may impact industry support for activities (breaks, receptions, meals).
 - vi. Many contract items are negotiable. You will not know unless you ask. When a hotel discovers that they are in the running for our upcoming meeting, but are not competitive with another property, they will sometimes make significant concessions in sleeping room rates or services to win our business.
- f. Policy on Complimentary Rooms.
- i. Hotel should provide complimentary sleeping and meeting rooms for the summer board meeting.
 - ii. Usual hotel policy is one complimentary room for each 40 registered guests.
 - iii. Society provides complimentary rooms for guest speakers at the General Session and luncheon, Business Manager, and the President (President gets an executive suite). Ask for upgrades for vice president, past president and business manager.
- g. Meeting Room Facilities must be complimentary. If extra fees are requested, consider another hotel. Best arrangement is to have all rooms on one floor and close to each other. It is desirable that the primary or main meeting rooms be committed to the Society. No other conflicting conventions should be scheduled in the hotel at the same time.
- i. Meeting room for the Board of Directors meetings, usually held the day before the Society meeting starts (Monday) and Thursday noon lunch meeting -30 people.
 - ii. General Session - 350 capacity (Tuesday morning).
 - iii. Luncheon – 350 capacity (Wednesday).
 - iv. Poster Session - 150 to 200 capacity (Monday afternoon through Thursday). Locate it near the registration desk.
 - v. Breakout Sessions-Three (3) rooms 150-200 capacity (Tuesday afternoon through Thursday morning).
 - vi. New Member/ Retiree Reception for general membership (Monday evening).
 - vii. Students Breakfasts - 30 capacity (Tuesday and Wednesday mornings). Industry sponsored.
 - viii. WSWs Breakfast and Business Meeting - 300 capacity (Thursday morning).
 - ix. Presentation loading and preview room (Monday afternoon through Thursday morning)
 - x. Extra meeting room(s) for committee meetings, to be scheduled through the Local Arrangements Chair.
 - xi. Storage room for registration desk materials and equipment
 - xii. Optional rooms for industry functions as per their special request.
- h. The following restrictive policies should be checked:
- i. Extra fees for other services.
 - ii. In addition to the standard boilerplate conditions, the following verbiage should be included in the hotel contract:
 - iii. Walk Clause:
No guaranteed reservations will be walked. Any and all attendees walked are understood to be walked as a result of Hotel error and expressly not as a result of the presence of another Group. If the Hotel fails to provide a sleeping room to an

attendee holding a guaranteed reservation, the Hotel shall provide to each such attendee the following, as liquidated damages and not as a penalty, for each night that the attendee is not accommodated by the Hotel:

- a. A complimentary sleeping room at a comparable property
- b. Free transportation to and from the substitute hotel, as needed
- c. Upon return to the Hotel, upgraded accommodations at the Group Rate "Any rooms walked will be included in the Hotel's counts for complimentary room credits and will be honored by the Hotel should relocation of any attendee be inevitable. In the event of an overbook or walk situation, the Hotel will waive any and all penalties tied to this agreement, including, but not limited to attrition on sleeping and/or meeting rooms."

iv. Reverse Cancellation Clause:

"In the unlikely event that The Hotel voluntarily cancels the Group Meeting, The Hotel will pay The Group the same cancellation fees as it has required of the client in the event that the client cancels. The Hotel may not cancel this meeting to accommodate another group."

9. Revise the Operating Procedures, if needed, and forward changes to Constitution and Operating Procedures Representative before the Annual Meeting so the board can vote on changes.
10. Report to the membership at the Society Business Meeting the site approved by the Board of Directors.
11. Forward records, including the Operating Procedures, to the new chair within six (6) weeks after Annual Meeting.

Revised July 2023

LOCAL ARRANGEMENTS COMMITTEE

The Local Arrangements Committee Chair for each meeting will be appointed three years prior to the meeting for which they are responsible. The Local Arrangements Committee Chair for the next year's meeting will also be a member of the current year's Committee. All matters pertaining to arrangements will be handled only by or through the Local Arrangements Committee. The Chair will consult with the previous year's chair for advice and insight into the duties and responsibilities of the Local Arrangements Committee. The Chair will appoint sufficient Committee members as soon as possible to facilitate arrangements for the meeting. The President-Elect is the Board of Directors contact for this Committee.

The Local Arrangements Committee shall:

1. Obtain a copy of contract from Site Selection Chair or Business Manager and, one year prior to the meeting, visit the hotel selected and review the following areas:
 - a. Parking facilities for those who drive.
 - b. Alternate dining facilities nearby.
 - c. Airport transportation arrangements.
2. Reasonable expenses associated with the site visit may be reimbursed by the Society.
3. Make arrangements for Summer Board of Directors Meeting in the summer prior to the Society meeting on a date determined by the Board of Directors.
4. Review meeting room facilities and consult with the Program Chair so that appropriate rooms are assigned for sessions, associated functions (meals, committee meetings, storage, practice, etc.).
 - a. Coordinate with the Sustaining Member Committee and Poster Committee to determine needs for booth space for sustaining members.
5. Provide the hotel toll-free number and web site information to the Newsletter Editor and Website Editor so that members can make room reservations.
6. Obtain information from the local Convention Bureau or Chamber of Commerce.
 - a. Provide descriptive information about city and area (usually free) to the membership.
7. Make luncheon arrangements.
 - a. Select menu and price. Selection and price should be presented to summer Board of Directors Meeting.
 - b. Determine if the hotel will collect tickets and how lunch will be served.
 - c. Arrange for head table to include those individuals named by the President, generally the awards chairs, recipients, and spouses.
 - d. Make arrangement for coffee breaks and billing procedures if and when sponsors may be responsible.
8. Make specific Committee member appointments to complete the following tasks and ensure uninterrupted sessions:
 - a. Room arrangements for project sessions:
 - i. Signs and easels to identify project meeting in session.
 - ii. Proper arrangement of speakers and podium with respect to the projection screen.
 - iii. Water should be provided at speaker's table.
 - iv. Microphones adequate for size of meeting rooms. Have extra microphones readily available in case of malfunction. Be able to adjust PA system volume control.
 - v. Set appropriate heat and ventilation control.
 - vi. Lighting should be controllable and dimmed for each speaker.
 - vii. Know hotel contact person in case of problems.
 - viii. Be sure section chair knows who you are and where you can be reached if problems occur.

- b. Visual Aids.
 - i. Work with Research Project Chair and individual project chairs to make sure sufficient computers and LCD projectors are available for all the sessions. Project chairs are to provide a laptop computer and LCD projector for their sessions; contact them to determine whether they are able to meet this requirement. Be sure projectors are in rooms when needed and secured after use. Have backup equipment available (two or three LCD projectors and laptops should be sufficient).
 - ii. Extension cords and projector tables must be set up in each room. Communicate with hotel contact person to ensure proper arrangements in advance for each meeting room.
 - iii. Projection screens should be large enough for slides to be easily seen by audience members. The General Session will normally require two screens and two LCD projectors connected to a single laptop computer. Room size will dictate other needs.
 - iv. Provide laser pointers with extra batteries.
9. Ensure that an adequate area is available for registration.
 - a. The Business Manager will provide the following: name badges; registration forms; luncheon tickets; cash box and change; receipt books; and will assist with registration and handle all cash.
 - b. Locate and set up registration desk in well-lighted, easily accessible area. Have adequate table (16' length).
 - c. Coordinate with the Business Manager to appoint volunteers to assist with registration functions during the week.
 - d. Provide tables for the Public Relations Committee for continuing education sign-up.
 - e. Provide a writable message board and/or corkboard with pins for messages.
 - f. Provide local area literature, list of restaurants, scenic attractions, city maps, etc.
10. Revise the Operating Procedures, if needed, and forward changes to the Constitution and Operating Procedures Representative before the Annual Meeting.
11. Forward records, including the Operating Procedures, to the new chair within six (6) weeks after Annual Meeting.
12. Coordinates with the Member-at-Large, Public Sector, to help identify host state organizations that should be invited to attend the WSWs Annual Meeting and/or symposiums.

Revision July 2023

FINANCE COMMITTEE

The Finance Committee is comprised of three members and the Treasurer will be Chair. Board of Directors contact is the Treasurer.

The Finance Committee shall:

1. Audit the financial records and records of property of the Society each year.
2. Act in an advisory capacity to the Board of Directors on matters of unusual expenditure.
3. Analyze the financial situation of the Society and develop a long-range financial plan. A professional financial advisor service may be consulted to develop and implement such a financial plan.
4. Oversee the Society's investment portfolio.
5. The WSWS investment policy guidelines allow the investment portfolio to be as much as 100% in bonds/cash and no more than 65% in stocks (July 2008). The Finance Committee shall regularly consult with the financial advisor and seek recommendations to protect the Society's investment portfolio. The Finance Committee shall justify and may approve to facilitate necessary adjustments to protect the Society's investment portfolio.
6. The WSWS should maintain a financial reserve equal to two (2) years of operating costs of the Society. This will be based upon the average of the two previous years.
7. Report to the membership the results of the audit and financial status of the Society at the annual business meeting and provide a written report for the Annual Meeting proceedings.
8. Revise the Operating Procedures, if needed, and forward changes to Constitution and Operating Procedures Representative before the Annual Meeting so the board can vote on changes.
9. Forward all records, including the Operating Procedures, to the new Chair within six (6) weeks after the Annual Meeting.
10. The outgoing Treasurer will stay on the Committee in an advisory role for one (1) year.

Revised February 2023

NOMINATING COMMITTEE

The Nominating Committee shall:

1. Prepare a list of nominees from the active membership of the Society for the offices of President-Elect, Chair-Elect of the Research Section, Chair-Elect of the Education and Regulatory Section, the Treasurer (in appropriate years), and the Secretary (in appropriate years).
2. Committee Chair shall contact nominees regarding their willingness to serve.
3. Present a slate of nominees to the Board of Directors for their approval at the summer business meeting.
4. Committee Chair will obtain from each nominee a written resume of the candidate's employment, title, activities, and awards.
5. Compile the list of nominees in ballot form with resumes and forward to the Website Editor for posting to the WSWS website. The election site will be available for member voting on October 15. All voting will close on December 1.
6. The Committee Chair will tabulate the electronic ballots and present the results to the President after the ballots are due. A copy of the electronic results and validated totals will be sent to the Business Manager for archiving after informing the President of the results.
7. Report the successful nominees to the membership at the Society annual business meeting and include a brief written report for the Society proceedings.
8. Revise the Operating Procedures, if needed, and forward changes to Constitution and Operating Procedures Representative before the Annual Meeting so the board can vote on changes.
9. Forward records, including the Operating Procedures, to the new Chair within six (6) weeks after the Annual Meeting.

Revised February 2023

FELLOWS AND HONORARY MEMBERS COMMITTEE

The Fellows and Honorary Members Committee is comprised of three previous Fellows and the Immediate Past-President. The second-year member serves as Chair. Committee members are discouraged from nominating candidates for these awards. The Immediate Past-President is the Board of Directors contact for this Committee.

The Fellows and Honorary Members Committee shall:

1. Prepare a Call for Nominations of Fellows and Honorary Members and send it to the Society Newsletter Editor for printing in the spring, summer and fall newsletters. Also send Call for Nominations to the Business Manager to be sent with the Call for Papers and for posting on the Society website.
2. Accept submission of nominees for Fellows and Honorary Member. Current members of the Fellows and Honorary Member Committee are not eligible to nominate candidates for these awards to avoid a conflict of interest. Committee members may assist in identifying qualified WSWS members and recruiting nominations but other WSWS members must submit nominations.
3. Review submission packages and compile a list of nominees for WSWS Honorary Member and Fellows. Packets of the nominees' biographical data and submissions will remain in the active file for three (3) years even if the packets are not updated annually by the nominator. The Committee must encourage nominators to update nominees' packets annually. Packets should be submitted by December 1.
4. Consider Honorary Member nominees who are largely from outside of the Society and have contributed significantly to the field of Weed Science as outlined in the Society By-Laws, Article XIII, Section 1.
5. Consider Fellows nominees who are members of the Society and have contributed significantly to the Society and to the field of Weed Science, regardless of age or length of membership, in accordance with the Society By-Laws, Article XIII, Sections 2.
6. Select deserving recipients and report the selection(s) before December 15 to the President and Board of Directors for approval (a two-thirds majority) as outlined in the Society By-Laws, Article XIII, Section 1. Not more than two (2) Fellows shall be selected each year in accordance with Society By- Laws Article XIII, Section 1. The selection of Fellows is not restricted to nor designated as being from public or private sectors and both recipients may be from a single sector.
7. Inform:
 - The awardees at least two (2) months prior to the Annual Meeting of their award with an email from the committee and a congratulatory phone call from the WSWS president.
 - The Business Manager of the successful recipients at least two (2) months in advance of the Annual Meeting so that plaques can be obtained to be presented at the awards luncheon.
 - The nominators of the status of their nomination(s) and, if their nominee was not selected, encourage the nominator to update the packet for the next year.
8. Provide biographies and a brief written report regarding the recipients for presentation at the awards luncheon, the Society annual business meeting, and for inclusion in the Society Proceedings.
9. Revise the Operating Procedures, if needed, and forward changes to Constitution and Operating Procedures Representative before the Annual Meeting so the Board of Directors can vote on changes.

Revised March 2023

AWARDS COMMITTEE

The Awards Committee is comprised of three members representing the private and public sectors who have previously received Distinguished Achievement Awards. The second-year member will serve as Chair. The member will not be eligible for any of the Distinguished Achievement Awards while serving on the Committee. The President is the Board of Directors contact for the Awards Committee.

The Awards Committee shall:

1. Evaluate applications for the Elena Sanchez Memorial WSWS Outstanding Student Scholarship Program using criteria listed in the scholarship program Operating Procedures and provide the names of scholarship winners to the President prior to November 1.
2. Promote the value of Distinguished Achievement Awards to members of the Society to ensure that qualified individuals are nominated each year.
 - a. Outstanding Weed Scientist – Presented to those in each of either the public or private sectors. Those “In-Career” with at least 10 years of service from completion of the terminal degree and those “Early Career” with less than 10 years from the terminal degree. Nominees must be members of WSWS. It is not required that four (4) awards be presented in any given year.
 - i. Outstanding Weed Scientist – Public Sector (1 recipient)
 - ii. Outstanding Weed Scientist – Private Sector (1 recipient)
 - iii. Outstanding Weed Scientist Early Career – Public Sector (1 recipient)
 - iv. Outstanding Weed Scientist Early Career – Private Sector (1 recipient)
 - b. Professional Staff – Recognizes those who have demonstrated and provided outstanding and sustained contributions in support of weed science activities under the direction of a professional involved in weed science. Recipient will be selected from those who have been involved in WSWS for at least 5 years at the time of nomination. (1 recipient)
 - c. Weed Manager – Recognizes those paid by taxpayers and who are working in the public sector. The recipient has been working in weed science and has been a member of WSWS for at least 5 years. (1 recipient)
3. Prepare a Call for Nominations report for the Board of Directors summer business meeting. This can include creative and innovative ideas that the Awards Committee would like to propose to the Board of Directors.
4. Issue a Call for Nominations for Distinguished Achievement Awards in the Society newsletter in September.
5. Accept and review nominees for the Distinguished Achievement Awards. Supporting documents should be submitted to the Chair. The due date for nominations is December 1. Electronic or hardcopies of documents are acceptable. Unsuccessful nominations will remain active for three years, even if the documentation is not updated annually by the nominator. However, the Committee encourages nominators to update the nominees’ documents annually.
6. Select a deserving recipient for the Outstanding Weed Scientist Award from both of the public and private sectors, Outstanding Weed Scientist – Early Career Award from both of the public and private sectors, Weed Manager Award, and Professional Staff Award.
7. Provide the Board of Directors with recipients’ names in a punctual manner so that sufficient time is allowed for the procurement of awards.

8. Inform the Business Manager of the successful recipients so that plaques can be obtained for presentation at the awards luncheon. Inform the nominators of the status of their nomination and, if their nominee was not selected, encourage the nominator to update the package for the next year.
9. Announce Distinguished Achievement Awards recipients to the membership at the Society luncheon.
10. Provide a brief written report announcing the recipients for presentation at the Society business meeting at the Annual Meeting and for inclusion in the Society proceedings.
11. Revise the Operating Procedures, if needed, and forward changes to Constitution and Operating Procedures Representative before the Annual Meeting so the board can vote on changes.
12. Forward records, including the Operating Procedures, to the next Chair immediately after the Annual Meeting.

STUDENT PAPER JUDGING COMMITTEE

The Student Paper Judging Committee is comprised of three (3) members and the second year Committee member serves as chair. The President-Elect is the Board of Directors contact for this Committee.

The Student Paper Judging Committee shall:

1. Provide criteria and guidelines for the judging of student papers and posters. These criteria and guidelines shall be reviewed at the meeting of the Committee during the annual meeting of the WSWS. Revisions to the criteria and guidelines will require a majority vote of the Committee. The President-Elect shall be notified of any revisions to the criteria and guidelines for presentation to the Board of Directors. Criteria should incorporate the Society's policies on Diversity and Inclusivity.
2. Provide advance notice to students concerning paper and poster judging criteria and guidelines. This notice shall be included in the annual Call for Papers. Provide further information by January 15 to those who submitted abstracts concerning guidelines, date and time of presentation, and set-up and removal of posters.
3. Select a panel of judges for each contest. At least three, more if possible, judges will rate all papers in a contest. Anyone whose name is on a paper entered in the contest shall not be a judge. [The individual may judge posters if the only papers they are co-authoring are in the oral contest and vice versa.] Committee members shall serve as judges of both the poster and oral paper contests, if they are eligible. The Committee will meet with judges at the beginning of the meeting to provide judging instructions (see Appendix for Best Practices for Student Contest Judges).
4. Encourage participation in the Student Paper Contest.
 - a. Undergraduate students are welcome to enter the poster contest and will be judged in a separate section from graduate students.
 - b. Students who are enrolled at the time of the annual meeting may enter one paper and/or one poster in the contest.
 - c. Students attending institutions in states that are not WSWS members may participate in contests and are eligible for awards.
 - d. Information presented in the contest must be original and unique. If a topic has been used by the author in a contest at a previous meeting, additional data must be included to constitute a unique presentation.
5. Assure that the following requirements of the contest are met:
 - a. The oral paper contest may be split into two separate sections if more than fourteen students enter. Poster entries also may be split into sections if more than fourteen graduate or undergraduate students enter.
 - b. In each section, first, second, and third places will be awarded \$100, \$75, and \$50, respectively, and a plaque. Only first and second place will be awarded if five to eight students compete in a section. Only first place will be awarded if one to four students compete.
 - c. First place winners in the oral paper contest are ineligible for future oral paper contests, but they may enter the poster contest. The same rule is applied to the poster contest.
6. Provide a brief summary report to the membership at the Society business meeting at the conclusion of the annual meeting.
7. Recognize student oral and poster contest winners at the Society business meeting in an organized manner. The Chair and one additional member of the Committee shall present the awards. Award winners will be listed on a paper which includes the contest section,

place awarded, student's name, title of the presentation, and school affiliation. Checks will be placed in envelopes which also include the students name and contest placement.

8. Provide the President with the names of participants in the Student Paper Contest. The president shall write a letter of congratulations and/or thanks for participation to those students who participated.
9. Send a written report of the results of the Student Paper Contest and Committee activities to the Proceedings Editor of inclusion in the Society Proceedings.
10. Forward records, including the Operating Procedures, to the new chair within six (6) weeks after annual meeting.
11. Revise Operating Procedures if necessary and forward revisions to the Constitution and Operating Procedures Representative before the annual meeting so changes can be approved by the Board of Directors.

AD HOC COMMITTEES

The Ad Hoc Committees are appointed by the President when, in the opinion of the President or the Board of Directors, such Committees are deemed necessary to provide a function for the betterment of the Society. The President will appoint the Board of Directors contact for each ad hoc committee.

The Ad Hoc Committees shall:

1. Function for one year or as long as subsequent Presidents feel the Committee(s) are providing a necessary service.
2. Restrict activities to objectives and charges outlined by the President.
3. Report findings and activities to the Board of Directors at the annual Society meetings.
4. Prepare a brief summary to be presented to the membership at the Society Business Meeting and to be included in the Society Proceedings.

SYMPOSIUM COMMITTEE (ad hoc)

A Symposium Committee will be created as needed to organize and conduct special symposia proposed for inclusion in a WSWS Annual Meeting. The Committee can be comprised of WSWS members and non-members interested in organizing a given symposium. The Committee Chair shall be a WSWS member. Other Committee members shall consist of enough individuals to fulfill the functions of publicity, local arrangements, program, and budget development. One member of the symposium Committee will be a past-Chair of a prior symposium Committee. The WSWS Immediate Past-President will serve as an ex-officio member of the Committee. The Program Committee Chair (President-Elect) will serve as the Board of Directors contact for the Symposium Committee. Committee members will serve until completion of the specific symposium.

The Symposium Committee shall:

1. Develop a proposal for a symposium topic, preliminary agenda, and budget that should include a recommended registration fee structure, proposed expenses for travel reimbursement and meeting facilities. (A \$2000 budget cap with justification is suggested).
2. Present the symposium preliminary agenda and itemized budget to the current WSWS Program Committee Chair for presentation at the summer Board of Directors meeting during the summer before the proposed symposium.
3. Coordinate and communicate with the Public Relations, Local Arrangements, and Program Committees to insure that adequate publicity, facilities, and scheduling are available for symposium.
4. Forward records to the Program Committee Chair immediately after annual meeting.

TIME SCHEDULE

- January-March: Develop new symposium topic ideas at least one year in advance of the Annual Meeting and present a proposal to the Program Committee Chair. The Board of Directors will approve the symposium(s) for a forthcoming WSWS Annual Meeting.
- March-June: Develop a detailed symposium agenda for the forthcoming WSWS Annual Meeting, contact potential speakers, and develop an itemized budget.
- July: Present and provide in writing to the Program Committee Chair in advance of the Board of Directors' summer meeting a detailed symposium program schedule and itemized budget. This symposium program schedule and budget will be presented for approval by the Board of Directors.
- August-December: 1) Finalize the symposium agenda for current year Annual Meeting. Make necessary speaking and travel arrangements with symposium speakers. Communicate and coordinate with Program Chair the final program scheduling. Communicate and provide necessary information to the Public Relations Committee to advertise and promote the forthcoming year's symposium.
- 2) Communicate and coordinate with the Program Chair to address any meeting room or special facilities needs and food/beverage orders.

Deliver to the Program Committee Chair a final symposium program schedule for inclusion in the Annual Meeting program.
- February: Obtain all presentation abstracts from each symposium presenter and submit to the WSWS website as required for all general meeting presenters.
- March:
- 1) Ensure fulfillment all logistical and organizational aspects of delivering the symposium. Arrange meeting room with appropriate A/V equipment, appoint moderators, and ensure speaker presence.
 - 2) Provide instruction to symposium moderators (see Appendix for Best Practices for Moderators)
 - 3) Provide Program Committee Chair with a final report of detailed activities.

Revised August 2017

INVASIVE PLANTS COMMITTEE (ad hoc)

An Invasive Plants Committee was formed to enhance communication and collaboration among invasive species groups/committees outside of the WSWS in order to foster a shared science knowledge base, work together for success in invasive species research/economic analysis programs, and to develop timely invasive species symposia and other opportunities in invasive species awareness.

Scope: The ad hoc committee will comprise WSWS and outside WSWS membership with an academic/private/government to reach many organizations involved in invasive species ecology management across the western and entire US. By expanding our reach, the WSWS will have intentional collaboration and shared learning experiences with outside organizations on invasive species ecology and management. Our areas of interest will include but not be limited to invasive or noxious species ecology and management in rangelands and pastures, natural areas, forests, wetlands, marshes, rivers, and lakes, non-crop areas, right-of-ways, riparian areas, and wildlife habitat. While we know that invasive species occur in agronomic areas as well, the ecology and management therein is tied to the agronomic practices and disparate to those occurring in non-agronomic ecosystems.

Charter: To consist of Co-Chairs appointed to a four-year term and 11 other members each appointed for four-year terms (including one student representative elected to a 2-year term).

The Committee will:

1. Review regional and state legislation as it relates to weed science activities and make recommendations regarding changes in the state and regional weed laws.
2. Review drafts of laws for enactment by Congress and make recommendations for strengthening preventative weed technology for the western US.
3. Serve in an advisory capacity in the development of state noxious weed programs and regulations for the western US.
4. Propose joint or individual Society symposia on current invasive species hot topics which will benefit the WSWS and outside organizations; submit their findings annually to the WSWS BOD for review and concurrence.

Example Activities:

1. Propose collaborative symposia between WSWS, Rangeland Invasive Species Committee-Society for Range Management (RISC-SRM), WAPMS, NAISMA, and others to be held at WSWS Annual Meetings or sister organizations' annual meetings, injecting sound, and up-to-date weed science into societies/groups that may not have weed science as a primary focus (i.e., SRM, Invasive Plant Councils)
2. Members will serve as an extension of the WSWS to cooperate/inform other outside organizations on developments of invasive weed science and management (have Invasive Species Committee members or liaison at these meetings, if possible). Potential collaborators include RISC SRM, NAISMA, Western Governors' Association, State Invasive Plant/Species Councils, Invasive Species Advisory Council, Western Weed Coordinating Committee.
3. Members will bring invasive species information and updates back to WSWS from interactions with the outside-weed-science community.

4. Aid in the understanding of invasive weed species for individual states and what management the state is doing for those invasive species (for state weed coordinators).

WSWS INSTRUCTIONS FOR NOMINATION - DISTINGUISHED ACHIEVEMENT AWARDS

CRITERIA USED FOR EVALUATING NOMINATIONS:

Awards are based on merit and impact on weed science and weed management practices. Applicants **MUST BE** a member of WSWS. Professional achievements and their impacts are the principal criteria for receiving these awards. There is no requirement that an award be given in any or every category. Past winners are not eligible again in the same category. An award may be given each year in both the private and public sectors for Outstanding Weed Scientist and Outstanding Weed Scientist – Early Career. Only one award may be given each year for Weed Manager and Professional Staff. Within the guidelines for each category, there is flexibility to fit the nominee.

I. OUTSTANDING WEED SCIENTIST:

This award recognizes outstanding achievements in weed science from individuals in both the public and private sectors. Principle criteria for this award includes innovative or unique approaches that result in learning, ability to clearly communicate ideas, motivation of the intended audience, demonstrate excellence and creativity in research accomplishments, applying results to solve problems in weed science, the impact on weed management practices and principals of weed science, and recognition of accomplishments by peers and intended audiences.

II. OUTSTANDING WEED SCIENTIST – EARLY CAREER

This award is to be given to members in the private and public sectors with no more than 10 years of service after completion of their terminal degree. This award recognizes outstanding achievements in weed science early in the individual career with the same criteria as the outstanding weed scientist above.

III. PROFESSIONAL STAFF

This award recognizes outstanding and sustained contributions in support of weed science activities. Nominees will be restricted to individuals that work under the direction of university, federal, or industry scientists. These individuals may have titles such as researcher, research associate, technician, support scientist, or specialist. The nominee must have been involved in the WSWS and weed science research, extension, or resident education for at least five (5) years at the time of nomination.

IV. WEED MANAGER

This award recognizes outstanding and sustained contributions in support of weed science activities. This award is intended for those paid by taxpayers and are working in the public sector, such as employees of state departments of agriculture, weed boards, public land managers, and vegetation management personnel. The nominee must have been involved in the WSWS and weed science for at least five (5) years at the time of nomination.

NOMINATION DEADLINE:

Nominations must be received by December 1.

NOMINATOR'S RESPONSIBILITY:

The nominator will submit a nomination document following the "Instructions for Nomination" guideline. The nominator is responsible for obtaining three letters of support and including them with the nomination package. Unsuccessful nominations will remain active for three years; however, an updated nomination packet of holdover candidates is encouraged.

NOMINATION PACKAGE:

1. **NOMINATION AWARD:** Name of award the Nominee is nominated for.
2. **NOMINEE:** Provide name, title, complete mailing address, telephone number and brief biography that would be acceptable for publishing in the WSWS proceedings.
3. **PUBLIC OR PRIVATE SECTOR NOMINEE:** Indicate the appropriate sector.
4. **SUPPORT STATEMENT BY NOMINATOR:** A concise summary and accomplishments of the nominee.
5. **EDUCATION AND WORK EXPERIENCE:** Degrees, institutions, dates, and positions held.
6. **PARTICIPATION IN AND CONTRIBUTIONS TO THE WESTERN SOCIETY OF WEED SCIENCE:** Offices held, committees, papers presented, honors, awards.
7. **PROFESSIONAL AND SCIENTIFIC AFFILIATIONS OTHER THAN IN THE WSWS:** Memberships, offices held, committee activities, papers presented, honors, awards, state, regional and national organizations.
8. **PROFESSIONAL CONTRIBUTIONS:** Provide pertinent information relative to the award sought. This may include but not limited to books written or edited, referred journal articles, technical information, research reports, extension material, products developed, patents, agronomic practices researched, innovations, creativity enhancement. List and explain the contributions made to the weed science profession by the nominee.
9. **LETTERS OF SUPPORT:** Obtain three (maximum) supporting letters for the nominee. Preferably these letters should not exceed one page in length. The nominator should obtain supporting letters from the different disciplines, i.e., faculty member or co-worker, individual not employed at same location, industry representative, university, government, or regulatory individual. Members of the Awards Committee are not eligible to write supporting letters.
10. **NOMINATOR:** Provide name, title, complete address, telephone number.

ELENA SANCHEZ MEMORIAL WSWS OUTSTANDING STUDENT SCHOLARSHIP PROGRAM

The Western Society of Weed Science is pleased to offer the Elena Sanchez Memorial WSWS Outstanding Student Scholarship to promote greater student participation at the WSWS annual meeting and encourage new weed science research and future weed science careers. Scholarships will be awarded to three outstanding undergraduate and/or graduate WSWS student members who will attend and present at the WSWS annual meeting.

SCHOLARSHIPS

A total of \$3,000 (three \$1,000 scholarships) will be awarded to outstanding undergraduate and/or graduate WSWS student members currently conducting research relevant to weed science. The scholarship money may be used to defray research costs, as a stipend, and for travel to the WSWS annual meeting.

To ensure scholarship money can be used for travel to the annual meeting, selections will be made and recipients contacted before the for the title submission deadline (typically around December 2nd).

ELIGIBILITY

Applicants must be an undergraduate or graduate student enrolled in a degree program (B.S., M.S., or Ph.D.) at an accredited college or university in the western region (see <http://www.wsweedscience.org/society-information/about-us/> for a list of states), and actively conducting research related to weed science. Applicants must be current WSWS members at the time of application. Previous scholarship winners are not eligible to apply in subsequent years. Applicants **MUST** present a paper or poster at the WSWS annual meeting held in the first part of March. Visit <http://www.wsweedscience.org/annual-meeting/> for meeting details.

APPLICATION PACKAGE

Completed Application Form (found at the end of this document)

1. One-page cover letter describing how applicant became interested in weed science, how applicant's research will contribute to the field of weed science and the WSWS objectives, and what future contributions applicant hopes to make to the field of weed science including career goals
2. 1/2-page CV or resume summary highlighting recent relevant experience through schooling, work and/or internships; awards, honors, publications, leadership positions, community activities
3. Draft abstract (general plan) for paper or poster presentation at WSWS annual meeting
4. Two letters of support, one of which must be from the student's graduate or major advisor. Recommenders should be familiar with the applicant's abilities, interests, and career goals.
5. Academic transcripts (unofficial copy is acceptable)

SELECTION CRITERIA

Applicants will be evaluated by the WSWS Awards Committee based on contribution of the research to the discipline of weed science and to the WSWS objectives, academic record and scholarly achievements, potential contributions to the future of weed science, and participation in extracurricular pursuits contributing to the advancement of any of the following: weed

science, natural resource management, and/or education and mentoring. *Note: Undergraduate and graduate applicants will be evaluated separately.

ADDITIONAL REQUIREMENTS

In addition to presenting their research at the annual meeting, recipients must volunteer approximately 4 hours assisting with various tasks at the meeting, as well as submit a brief research summary (objectives, methods, results; 1 page maximum) upon completion of their project for publication in the WSWs newsletter.

HOW TO APPLY

Applications must be submitted electronically. All documents (application form, cover letter, CV summary, academic transcripts, draft abstract and two letters of support) should be compiled into a single PDF file (preferred) or combined into a single zip folder and sent to: {the current WSWs President}

Deadline for applications is October 1.

Incomplete applications will not be considered. Scholarship winners will be contacted prior to the title submission deadline and will be recognized at the Annual Meeting.

For questions please contact: {the current WSWs Awards Committee Chair}

The Western Society of Weed Science is a professional and scientific society of western weed scientists and managers. Members include research scientists, vegetation managers, agency personnel, and industry representatives interested in all aspects of weed biology, ecology, and management.

The objectives of WSWs are:

- To foster and encourage education and research in weed science

- To foster cooperation among state, federal and private agencies in solution of weeds

- To support legislation governing weed control programs, weed research and education

- To support the Weed Science Society of America and foster state and regional organizations and agencies interested in weed control

I. Elena Sanchez WSWS Outstanding Student Scholarship Program Operating Procedures

A. Purpose

Use funds to promote greater student participation at the annual meeting and encourage new weed science research and future weed science careers.

B. Description of Scholarship

A total of \$3,000 (three \$1,000 scholarships) will be awarded to outstanding undergraduate and/or graduate WSWS student members currently conducting research relevant to weed science. The scholarships may be used to defray research costs, as a stipend, and for travel to the WSWS annual meeting.

The Elena Sanchez WSWS Outstanding Student Scholarship Program is administered by the WSWS Awards Committee.

The scholarships are to be awarded in a manner (through selection criteria, evaluation, and judging) to not only encourage meeting attendance and participation, but also support new research in weed science and recognize outstanding students who are currently active contributors and leaders and are likely to make significant contributions to the discipline in the future

Scholarships may be awarded to any mix of undergraduate and graduate students based on the applicant pool and subsequent evaluation and judging.

C. Eligibility Requirements

Applicants must meet the following criteria:

1. The applicant must be an undergraduate or graduate student in good academic standing enrolled in a degree program (B.S., M.S., or Ph.D.) at an accredited college or university in the western region.
2. The applicant must be actively conducting, or have recently finished, research in the area of weed science.
3. The applicant must be current WSWS members at the time of application.
4. The applicant must present a paper or poster at the WSWS annual meeting.

D. Selection Criteria

Applicants will be evaluated based on contribution of research to the discipline of weed science and to the WSWS objectives, academic record and scholarly achievements, potential contributions to the future of weed science, and participation in extracurricular pursuits contributing to the advancement of any of the following: weed science, natural resource management, and/or education and mentoring. *Note: Undergraduate and graduate applicants will be evaluated separately.

E. Application Procedure

The following materials are sent to the Awards Committee Chair by October 1st:

1. Completed Application Form (to be posted, along with complete application instructions, on WSWS website by September 1 of each year).

2. One-page cover letter describing how applicant became interested in weed science, how applicant's research will contribute to the field of weed science and the WSWS objectives, and what future contributions applicant hopes to make to the field of weed science including career goals.
3. 1/2-page resume or CV summary highlighting recent relevant experience through schooling, work and/or internships; awards, honors, publications, leadership positions, community activities.
4. Draft abstract (general plan) for paper or poster presentation at WSWS annual meeting
5. Two letters of support, one of which must be from the student's graduate or major advisor. Recommenders should be familiar with the applicant's abilities, interests, and career goals.
6. Academic transcripts (unofficial copy is acceptable).

F. Scholarship Announcement & Advertising

The WSWS Student Liaisons work with the Webmaster to post the scholarship announcement, application instructions, and application form to the WSWS website by September 1st of each year. The Student Liaisons, with the assistance of other board members, advertise the scholarship through the WSWS newsletter (summer issue), a special email announcement to the Society membership when the application period opens, listserves (e.g. ECOLOG) and other internet-based resources (e.g., WSSA website, general student scholarship on-line listings), and direct mailing to applicable schools and organizations within the WSWS region.

G. Evaluation and Selection Process

All application materials must be submitted to the WSWS Awards Committee Chair by October 1st. Applications are distributed to the Awards Committee members. The Awards Committee Chair advises Committee members on the scoring or ranking procedure to be followed, as well as any other special instructions.

Each member of the Committee evaluates and ranks the applicants in order from 1 to n (the number of applicants) based on the aforementioned selection criteria. Graduate and undergraduate applicants are ranked separately. Each member's ranking is conveyed in writing to the Chair, who totals the points received by each applicant. The scholarship recipients are those receiving the highest scores, with a separate tally for graduate and undergraduate applicants. The three scholarships are distributed among graduate and undergraduate students based on the applicant pool. All three scholarships need not be awarded in a given year if it is determined that there are not sufficient applicants that meet the criteria. Judging will not be done by individuals with a personal or institutional affiliation with the applicant.

H. Timeline

The application should be due in time for recipients to be selected and notified before the annual meeting title submission deadline. Title submission deadline is typically around December 2nd and scholarship application deadline was set to Oct 1st as of 2011.

The Awards Committee Chair provides the WSWS President and Business Manager with the names of the scholarship winners in time for scholarship monies to be disbursed for travel arrangements to the annual meeting.

I. Notifications & Recognitions

All notifications are made directly to the applicants by the WSWS President. The Society will send a letter to all applicants (winners and losers) thanking them for their interest and participation. A check for \$1,000, made out to the student, will be included in the winners' letters. Notification of awardees is made prior to the title submission deadline since students' decision to attend the annual meeting may depend on the scholarship.

Winners are recognized at the Awards Luncheon at the annual meeting, as well as in the Proceedings and the newsletter following the annual meeting.

J. Additional Requirements

In addition to presenting their research, scholarship recipients will also volunteer a portion of their time (approximately 4 hours) at the annual meeting. In the award letter sent to the recipients, they will be advised to check-in with the registration desk for more information regarding their volunteer assignments, as well as informed that recognitions will be made at the Awards Luncheon. Recipients should also be encouraged to submit a brief research summary (objectives, methods, results; 1 page maximum) upon completion of their project for publication in the WSWS newsletter.

K. Committee Report and Instruction Transfer

The Awards Committee Chair forwards the Operating Procedures, application instructions and materials, and evaluation forms to the new Chair after the annual meeting.

The Awards Committee Chair or other Committee member:

Provides a brief summary report to the membership at the Society business meeting at the conclusion of the annual meeting.

Sends an annual written report of the results of the Student Scholarship Program and Committee activities to the Proceedings Editor for inclusion in the Society Proceedings.

L. Revising Guidelines or Procedures

The Awards Committee may recommend changes or revisions to the scholarship guidelines and operating procedures. All recommendations must be approved the WSWS Board of Directors before recommendations may be implemented.

M. Applicant Evaluation

Applicant:

Statement. Evaluate the student's statements (cover letter) summarizing their research, career goals, and their contribution to the field of weed science. Keep in mind that academic and research progress will vary greatly between applicant's (undergraduate to Ph.D.), so do your best to evaluate each student relative to their level.

Resume/CV: Evaluate how the student's CV summary illustrates their interest in weed science.

Transcript. Evaluate how the student's academic record (courses and final grades) reflect their interest and commitment to weed science.

Letters of support. Evaluate how the student's letters of support reflect the success of the student's research skills, likelihood of continuing to work on weed science issues, and professionalism.

N. Scoring & overall ranking

Name of Candidate: _____

Please rank the following categories of the candidate's application from 1 (poor) to 5 (outstanding),

_____ 1. Quality of research

_____ 2. Applicability of research to weed science in general

_____ 3. Potential for this student to contribute to weed science in the future

_____ 4. Student involvement in weed science issues and activities (including WSWS and national WSSA)

_____ 5. Quality of student's academic record

This student is _____ qualified or _____ unqualified for the WSWS scholarship. I rank this student _____ among the pool of _____ candidates for this year.

Name of Reviewer: _____

Position and company/institution/agency: _____

BEST PRACTICES FOR MODERATORS

On behalf of the Society Program Chair and Section Chairs, thank you for agreeing to serve as a moderator for the upcoming meetings. The success of the technical program relies to a large degree on efforts such as yours. A list of guidelines for suggested protocol during the presentations is included below. Our intent is that consistency in practice among the moderators for concurrent sessions will facilitate smooth running of the meeting and room transition.

Please follow these guidelines to ensure the success of your session.

1. Please check the time and room assignment of your session. The final program is posted at the WSWS website.
2. Plan to arrive at your meeting room 20-30 minutes before the session starts. Please familiarize yourself with the audio-visual equipment. You may be asked, "Where is the pointer?" "Where do you turn off the lights?" etc.
3. Please utilize each available seat. Encourage the audience to take seats at the front of the room and to fill empty seats.
4. All cell phones should be silenced out of courtesy for the presenters. Please make this announcement at the beginning of your session.
5. Please start and end your session on time.
6. **It is critical you keep speakers on time.** The total time for each speaker in a volunteered session is 15 minutes. Please adhere strictly to the time schedule in the printed program. Attendees rely on its accuracy to get to talks on time. It may be helpful to use arranged signals to indicate when a speaker's time is almost finished. Suggest signal at 3 and 1 minute prior to time expiration.
7. Presenters will advance their own presentations using the mouse at the location or a remote.
8. Introduce title, presenting author and affiliation. If a student paper, also mention major advisor.
9. If a speaker fails to appear, do not pass to the next paper. Instead, call for a break or discussion until the scheduled time for the following presentation. No substitutions of one paper for another.
10. If student paper contest participants are presenting, make sure at least one question is asked, if there is available time, before moving on to the next speaker.
11. Members of the registered media may record in the session, but otherwise there is to be no use of personal recording devices in the session rooms.
12. At the conclusion of the annual meeting, delete all presentations from computer.

BEST PRACTICES FOR STUDENT CONTEST JUDGES

The Student Contests provide an opportunity for students to gain experience presenting research results to their peers. It involves students from different degree programs (B.S., M.S., Ph.D.) and various levels of experience. This opportunity should be both instructive and positive, helping them improve presentation skills and gain confidence. Students invest a lot of time and effort preparing and take the contest very seriously.

The following are suggestions for Student Contest judges:

1. Once you receive your assigned papers, and before the session begins, read the paper abstract and fill in the identifying information on the evaluation sheets.
2. Make a schedule of when and where the papers you are judging will be presented. If possible, try to be in the session for at least one presentation prior to the paper you will be judging. If you are judging posters, keep in mind that authors of even and odd numbered posters are scheduled on different days.
3. Time the student's presentation to ensure they are given the full time allotted.
4. Make sure the student presenter is asked a question following their presentation. Be prepared to ask the question yourself if no other questions are asked.
5. When scoring, if points are deducted give an explanation of how they can improve.
6. Make sure that all comments are constructive and positive.
7. Complete scoring on the current paper/poster before moving on to the next one. The program chair will try to ensure that Student Paper Contest presentations are not consecutive within a session to allow sufficient time for scoring.
8. Make sure that all scores are accurately calculated and recorded.
9. When compiling results with other judges, discuss any major differences between evaluations and make corrections if justified.

Western Society of Weed Science Student Oral and Poster Presentation Contest Rules

GENERAL GUIDELINES FOR ORAL PAPERS AND POSTERS

The Student Paper and Poster contest at the Western Society of Weed Science (WSWS) annual meeting offers students an opportunity to improve their presentation skills and increase their visibility within the Society. All graduate students from member states of the WSWS are encouraged to enter one paper **AND/OR** one poster in the contest. Undergraduate students may enter one poster **OR** one paper in the contest. Students attending institutions in states that are not WSWS members may enter and receive evaluation but will not be considered for awards. Students entered in the contest will be judged by at least three independent anonymous judges. A sample score sheet is attached for students to review criteria they will be judged upon. A separate score sheet will be used by each judge for each student. A numerical scale is provided for judges to use as a guide during their evaluations. Judges should also provide comments on areas that will greatly aid the students in enhancing their communication skills. After judging, all contestants will be ranked from high to low based on their representative scores with prizes awarded to top individuals in that division depending on number of contestants.

Oral paper and poster presentations will be judged in two major categories: **Content** (methods and mechanics) and **Presentation Skills**.

For Content:

There must be a clear scientific merit and justification for research that is **original and unique** research to Weed Science. Additionally, oral and poster presentations entered for competition by the same person should be substantively different from each other (not just changing the title or simply adding more data to the poster). There should be no overlap between the data presented in the poster and oral format by the person (if entered in a competition)

Each author is responsible to following the guidelines for submission in the WSSA journals Style Manual. SI (metric) units are preferred. Herbicide rates must be expressed as rates ai (active ingredient) or ae (acid equivalent) per unit of area (acre or hectare)

A clear and technically competent abstract is required for both oral and poster contest entries. Abstracts for the student competition must be **no longer than 250 words**.

All presentations should briefly outline background content relevant to the subject and provide pertinent references if applicable.

All presentations should include brief but descriptive "Materials and Methods" used in the experiment as well as justification for methods chosen.

A description of the experimental design and statistical treatment of the data utilized should be included as well.

Discussion of Results is an essential part of any research paper. It is important that Results are supported by the data collected and interpretation is logical. Findings should be related to other work if applicable. Importance of results should be addressed and related to future research needs that could potentially allow a better understanding of the subject.

Conclusion should be clear, concise, and easy to follow. It should reemphasize the main point of significance of this research.

To be entered in the contest, all presentations **MUST** be uploaded to the WSSA "Title/Abstract website" (<http://www.weedscimeetingabstracts.com/>) prior to the cutoff date. If submission by this time or method is not possible, it is the responsibility of the author/presenter to contact the project chair and make arrangements to have the presentation uploaded onto the session computer. Only as a last resort are they to be submitted directly to the Project Chair via flash drive.

For Presentation Skills;

Presentations should clear and interesting manner that will make the audience engaged and want to learn more.

Physical demeanor / appearance of the speaker, ease of movement, gestures poise and enthusiasm should all be kept professional and consistent with the gravity of the contest

Visual aids should be easy to read and understand. In short, visual aids should aid, not distract, from presentations.

For oral presentations, the quality and quantity of sound being delivered by the speaker as well as speech inflections, variations in pitch and enthusiasm all should be considered in delivery of presentation. Language is the medium of expression. Proper grammar, sentence structure, and correct pronunciation and use of terminology should be employed.

For poster presentations, the physical development of the poster should lend to an organization and pattern that effectively conveys the text, figures and pictures to the audience. Posters should be created to maximize the transfer of information into an easily understandable format. Proper grammar, sentence structure, spelling, and use of terminology should be considered.

Last minute editing is **strongly discouraged** and up to the discretion of the section chair if they are willing to make special accommodations.

OTHER GUIDELINES FOR PREPARATION OF ORAL PRESENTATIONS

- Oral presentations are strictly limited to fifteen (15) minutes and that includes a 2 to 4 minute period to respond to questions from the audience.
- All oral presentations must be created in PowerPoint for MS Windows for optimum compatibility with session computers and will be presented by using LCD projection equipment if possible.
- Project chairs and computer operators are not responsible for changes in fonts, bullets, and other formatting at the time of presentation due to file transfers. It is the responsibility of the author/presenter to contact the project chair and make arrangements to view their presentations on the session computer prior to their scheduled presentation time.
- Contestants are expected to be present and prompt prior to their allotted speaking time.
- Previous first place winners in the paper contest are ineligible for the paper contest but may enter the poster contest.

Paper Contest*	Points	Criteria
Abstract:	10	Length: 5pt ≤ 250 words; 0pt > 250 words Appropriate content, format and grammar
Introduction:	10	Concise background to topic Clear objectives and hypothesis
Methods:	15	Correct and clear experimental design Clear treatments and measurements Correct statistical analysis

Total	100	
*Previous first place winners in the paper contest are ineligible for the paper contest but may enter the poster contest.		

OTHER GUIDELINES FOR THE PREPARATION OF POSTERS

- Each poster must fit within 42 inches by 42 inches of display board space. This is not guaranteed as poster boards may vary from venue to venue.
- Titles, headings, text, graphs, and tables contained on the poster should be easily read from a distance of at least 6 feet.
- All posters must be set up on evening prior to the Tuesday morning poster session. All posters should remain on display until after the end of sessions on Wednesday afternoon. All posters must be removed from display by Wednesday evening. It is the presenter's responsibility to setup and remove their poster. Noncompliance may result in point deductions.
- Limit fonts used in presentations to basic, legible fonts (e.g., Times, Arial, Courier, Calibri or Tahoma).
- All presenters MUST be present at their poster during designated times in coordination with the program instructions.
- Previous first place winners in the poster contest are ineligible for the poster contest, but may enter the paper contest.
